III. CONDITIONS

Units must be promptly available for servicing upon arrival of technician at location, or an additional labor charge will be made for waiting or travel time. A suitable place must be provided to permit technician to work unrestricted by space limitation or other interferences. Warehouse Systems shall have the option to change the service rate, based on increased labor and material costs.

The material to be serviced under this agreement and scheduled calls are listed above. Additions and deletions will be made to this agreement as requested.

Service to be started week of: _____

IV. AGREEMENT

This agreement may be cancelled by either party upon 30 days notice in writing thereof. This agreement supersedes any other agreement between us, either expressed or implied.
